About Us

Al Hafeez Enterprises was founded in **1996** basically to provide the discriminating shopper with the world's finest selection of Bed linen and specialty items for the beds and bathrooms.

Our specific commodities are exclusive line of **knitted fitted Bed sheets & knitted bed sets, Woven bed sets** in flannel & sheeting fabric, **Terry towels** for home, hotels and beach, **Terry bathrobes, Bath products, Baby collections, Kitchen Accessories** and **knitted Garments** for Men's, Ladies, Children's in 100% cotton & blends.

Our all products are: Eco Friendly, Reactive Dyes, High Wash Fastness, Natural Core pH and Dimensionally Stable. It's the variety, softness, absorbency and durability which make out our products from rest of the world.

We strive to be considered one of the best home textiles made-ups manufacturers and exporters. Smart and hard work remains our assurance to each client that they will receive the very best service possible.

Our commitment to quality, creativeness and price control is matched only by our passion for offering superior service. A major strength we have must surely lie in our ability to individually assess a client's requirements and then to supply precisely according to these requirements. Every requirement become a personal challenge for us and is handled as if it were our very own.
